FOR IMMEDIATE RELEASE

Get Out Of The House And On The Water!

RAYSTOWN LAKE, Pa. — Need an excuse to get out of the house and out onto the water, even if you don't own a boat? Have a good time and get a good feeling volunteering at the annual Raystown Lake Cleanup Day.

The Friends of Raystown Lake and The U.S. Army Corps of Engineers need YOU to help other volunteers remove shoreline trash. Please join us Saturday, April 24, 2010 from 8:00 a.m. to 1:00 p.m. at Tatman Run Recreation Area. Gloves, bags and a free lunch will be provided.

This is a great volunteer opportunity for civic groups, scouts, students and individuals to show their love for Raystown Lake. We are especially in need of volunteer boats and operators to transport volunteers and bags of trash. Help us make our 23rd annual Raystown Lake Cleanup the best cleanup ever!

All interested volunteers should contact Park Ranger Melissa Bean at (814) 658-6812 or by email at melissa.j.bean@usace.army.mil to register and receive additional information.

PHOTO:

Volunteers help unload their boats and begin sorting recyclables. At last year's Raystown Lake Cleanup Day volunteers removed over 700 bags of trash and recyclables from the shoreline! You can help us remove even more beginning at 8:00 AM on April 24, 2010 at Tatman Run.

For more information contact Ranger Melissa Bean at (814)658-6812, visit <http://raystown.nab.usace.army.mil/> or call (814) 658-3405.
